

# CHESTNUT LOG MIDDLE SCHOOL

2544 Pope Road, Douglasville, GA 30135

770-651-5100

## Why Chestnut Log Middle School?

*"Chestnut Log Middle School embodies a family-oriented atmosphere. My child and I enjoy the fact that this is a place where learning is the focus and differences are embraced."*

—Chestnut Log Parent

- ◇ Top Overall Team for Relay for Life, 2017

## Inside the Classroom

The teachers and staff at Chestnut Log Middle School are committed to ensuring that every student who comes through the doors receives a quality education. Both students and teachers set goals and work hard to meet those goals. Most students are on target to score at or above grade level on the End of Grade Milestones Reading Assessment. The teachers and staff have put in place many initiatives to encourage and motivate students to reach their goals. For example, the school has implemented a 25 book reading campaign. Because reading is the foundation for every subject, teachers, staff and administration are pushing for every student in the school to have read 25 books at their level by the end of the school year. Chestnut Log Middle School is dedicated to the success of every student and is determined to provide a quality education to all students.

**Determined. Nurturing. Positive.**

# Our Vision

*The vision of Chestnut Log Middle School is to serve as an extended family to the students, with all staff members supporting the successful development of every child's hidden potential.*

## Beyond the Classroom

Students at Chestnut Log Middle School have the opportunity to participate in a host of extracurricular activities and enrichment opportunities. Students who need additional support in their core classes can enroll in the CHAMPS program or the EPIC program. These after-school programs are designed to focus on individualized learning styles. Students also have an opportunity to participate in clubs such as the Chess Club, Jr. Tome Society, Youth Against Cancer (YAC), Peer Mediators, and the Math Club.

The National Junior Beta Club is one of Chestnut Log's biggest organizations. Students participate in community service projects, and members have attended the national convention three years in a row. In addition to activities and clubs, students can also participate in many sports programs, including softball, basketball, football, track, cheerleading and soccer.
